Himalaya Gasex Tablet

Himalaya Gasex

It is used to treat feelings of fullness, dyspepsia, and nausea. It also helps to relieve belching, abdominal distension (bloating), and flatulence. It provides relief from abdominal discomfort post-surgery. It exhibits properties that improve digestive function and treat indigestion and other gastric troubles.

Key ingredients

Himalaya Gasex such as sunthi (dried ginger), Triphala, vidange, and other ingredients play a key role in digestion. Ginger helps in the digestion process. It helps to normalize the intestinal transit time. Triphala helps in digestion and intestinal mobility.

It is made from natural herbs and safe to use. Order a Himalaya Gasex Tablet bottle online at the best price in India. Know more about Himalaya Gasex Tablet price, specifications, benefits, and other information only on [homoeobazaar](http://homoeobazaar.com).
